"SU" courses are not guaranteed to be offered every summer.

Pre-requisite courses require a grade of 'C' or better.

NOTE: This plan is just a guide. Each individual plan may vary.

- EN 102 & COM 101 are pre-requisite courses for ALL 300-400 level courses.

4 year plans are for academic planning purposes only and serve as a supplement to (but not a replacement of) the requirements as listed in the Chaminade undergraduate general catalog. Changes may occur in course offerings over time. Individual students may have unique situations that will affect their planning. Students are advised to visit an advisor every semester. The 4 year plans are intended primarily for students who enter Chaminade as first year students. Transfers are advised to visit an academic advisor in their first semester on campus to develop an individualized plan. Specific majors may have unique situations that may alter your planning, as will the addition of an academic minor. Students are advised to visit an advisor with any questions they may have.
