

**UNDERGRADUATE PSYCHOLOGY PROGRAM
ADVISING SURVEY DATA
10/20/11**

Dr. Santee is the advisor for all undergraduate Psychology majors. The Advising Survey consists of 9 items and each item is rated on a 4 point Likert scale. It is completed anonymously, by the student, after the student leaves Dr. Santee's office. The survey is turned into Dr. Santee's assistant, Jan Martin, who compiles and analyzes the results. The N size represents students Dr. Santee has advised from 9/09 to 4/11.
