

## Education

**Faculty:** Fr. Tim Eden, S.M., Ed.D., Tina Gomes, Dr. David Grossman (Interim Dean), Dr. Glenn Honda, Katherine Kawaguchi, Dr. Margaret Mize, Dr. Bryan Moseley; Elizabeth Park, Dr. Sheri Schonleber, Dr. Mary Pat Sjostrom, Dr. Mary Smith

**Program Directors:** Sheila Apisa (Dual Licensure Program), Elizabeth Park (Early Childhood Programs)

**Program Advisors:** Tina Gomes, Tracy Del Rosario

**Director, Field Services:** Amanda Street Aldridge

### Mission

The mission of the Education Division of Chaminade University is to foster the development of teachers and leaders in education through programs based in the liberal arts tradition, Catholic Marianist values, current research, best practice, and state and professional standards.

### Program Learning Outcomes

The Chaminade Education Division undergraduate programs are designed to prepare teacher candidates to plan, teach, assess, reflect, and adapt. In other words, successful candidates are able to:

1. (*Plan*) design meaningful learning experiences that incorporate knowledge of content, students, learner outcomes, pedagogy, and assessment at appropriate grade levels;
2. (*Teach*) have a competent grasp of content knowledge, employ appropriate pedagogical practices, and utilize resources to facilitate the learning process for students appropriate grade levels;
3. (*Assess*) apply a variety of diagnostic, formative and/or summative assessments to evaluate and support developmentally appropriate progress of the learner;
4. (*Reflect*) engage in the process of continual and thoughtful reflection on their grade-appropriate teaching practices; and
5. (*Adapt*) evaluate elements of change in the classroom and the wider world, actively bringing this awareness to work with students, faculty, and other members of the community.

### Overview of Education Programs

Chaminade University's education programs are offered in a variety of formats as well as day and evening hours on and off campus. This scheduling allows students to work and to participate in the field experiences required for the programs. Classes are small and faculty is available to offer students individualized attention. The education programs, both licensure and non-licensure, are offered both through the Undergraduate Program and the Adult Evening and Online Programs (AEOP). The programs offered in the Day Undergraduate Program are primarily held on the main campus of Chaminade. The AEOP offers most of their program courses at satellite locations and online.

In addition to its own programs, Chaminade offers degree and teacher licensure programs in partnership with other educational institutions or organizations. In recent years this has included a cohort undergraduate Dual Licensure Degree Program in Elementary and Special Education for Education Assistants (EA) in collaboration with the Hawai'i Department of Education (HIDOE), and articulated undergraduate elementary, secondary, and special education degree programs with two of Hawai'i's Community Colleges.

All Chaminade University teacher licensure programs are approved by the Hawai'i Teacher Standards Board (HTSB) and are recognized by over 40 states and the District of Columbia through the NASDTEC Interstate Agreement. This agreement and listed member states can be found at <http://www.nasdtec.org>. Graduates in Elementary Education or the Secondary Education licensure programs may be recommended to the Hawai'i Teacher Standards Board (HTSB) for Initial Licensure in appropriate fields.

For further information and FAQs about all Chaminade Education Division programs, visit the Division website: <http://acad.chaminade.edu/dept/education/>

### Degree Options

Degree	Program	Licensure/Credential	Offered By
N/A	Child Development Associate	N/A	AEOP
Associate of Science	Early Childhood Education	N/A	AEOP
Bachelor of Science	Early Childhood Education	N/A	AEOP
Bachelor of Science	Elementary Education w/ K-6 Licensure	K-6 Licensure	Day Undergrad
Bachelor of Science	Dual Certification in Elementary and Special Education	K-6 Licensure and Special Education Licensure	Hawai'i DOE Partnership Cohort
Bachelor of Science	Secondary Education w/ English Licensure	Secondary Licensure in English	AEOP
Bachelor of Science	Secondary Education with Social Studies Licensure	Secondary Licensure in Social Studies	AEOP

### **Child Development Associate**

The Child Development Associate (CDA) credential course of study provides the student with the necessary background information and support to develop the resource file and competencies necessary to obtain the CDA credential. The program consists of nine credits of academic coursework to prepare the student for the Associate of Science in Early Childhood Education. Courses are offered through the Adult Evening and Online Program (AEOP) during evening and weekend hours at various satellite locations or online. Prior to taking any early childhood courses, it is recommended that the student take one credit ED 101 Introduction to Chaminade Early Childhood Education course.

<b>Core Course (Required)</b>	<b>Credits</b>
ED 217 Health and Family Issues in Early Childhood Education	3
ED 233 Introduction to Early Childhood Education I	3
ED 234 Introduction to Early Childhood Education II	3

### **Associate of Science in Early Childhood Education**

The Associate of Science degree requires the completion of a minimum of 60 semester hours of credit with a grade point ratio of at least 2.0 for all work completed at Chaminade. The degree also requires the completion of the general education core. At least 15 semester hours of course work and 12 semester hours in the area of emphasis must be completed at Chaminade. PSY 101 (General Psychology) is general education requirement. Prior to taking any early childhood courses, it is recommended that the student take one credit ED 101 Introduction to Chaminade Early Childhood Education course.

<b>Pre-Major Requirements</b>	<b>Credits</b>
PSY 202 Child Development	3
<b>Area of Emphasis</b>	
ED 215 Music, Art, and Creative Movement in ECE	3
ED 217 Health and Family Issues in Early Childhood Education	3
ED 233 Introduction to Early Childhood Education I	3
ED 234 Introduction to Early Childhood Education II	3
ED 297 Fieldwork Practicum in Early Childhood Education	3

### **Bachelor of Science in Early Childhood Education**

This degree prepares students interested in working with young children ages 2 ½ through six years in the private school setting and other educational environments. Upon declaration of major, students must complete a pre-admittance interview. The Early Childhood Education major meets NAEYC accreditation standards and Hawaii state registry requirements for ECE. Prior to taking any early childhood courses, it is recommended that the student take one credit ED 101 Introduction to Chaminade Early Childhood Education course.

<b>Pre-Major Requirements</b>	<b>Credits</b>
PSY 202 Child Development	3
ED 215 Music, Art and Creative Movement in ECE	3
ED 217 Health and Family Issues	3
ED 233 Introduction to Early Childhood Education I	3
<b>Major Requirements</b>	
ED 222 Educational Technology	3
ED 413 Children's Literature	3
ED 433 Developmentally Appropriate Practice I	3

ED 434 Developmentally Appropriate Practice II	3
ED 471 Language Arts: Curriculum and Methods	3
ED 473 Math Curriculum and Methods	3
ED 474 Curriculum Foundations	3
ED 479 Leadership and Guidance in ECE	3
ED 491A Seminar	2
ED 491B Seminar	1
ED 498A Fieldwork Experience	3
ED 498B Fieldwork Experience	3

Note: Fieldwork experience and Seminar must begin within two semesters of last major requirement course completion. ED 491A and ED 498A must be taken concurrently in the winter or summer term and ED 491B and ED 498B taken in the following spring or fall term.

### **Bachelor of Science in Elementary Education (K-6 Licensure)**

- This is a licensure program that prepares students to work with children from kindergarten through grade six.

In addition to the courses listed below, students must complete additional licensure requirements (*please see Additional Licensure Requirements.*)

<b>Pre-Major Requirements</b>	<b>Credits</b>
ED 100 Survey of Education *	1
ED 220 Educational Foundations (10 hrs service learning)	3
MA 105 Math for Elementary Teachers I	3
PSY 202 Child Development	3
<b>Major Requirements</b>	
ED 221 Educational Psychology	3
ED 222 Educational Technology	3
MA 305 Math for Elementary Teachers II	3
ED 223 Music, Art & Physical Education** (6 hrs O&P)	3
ED 320 Elementary Language Arts Methods I** (6 hrs O&P)	3
ED 322 Elementary Math Methods I** (6 hrs O&P)	3
ED 324 Elementary Science Methods** (10 hrs O&P)	3
ED 321 Elementary Language Arts Methods II** (6 hrs O&P)	3
ED 323 Elementary Math Methods II** (6 hrs O&P)	3
ED 325 Elementary Social Studies Methods** (10 hrs O&P)	3
ED 326 Exceptional Children	3
ED 404 Managing School Environments** (10 hrs O&P)	3
ED 420 Integrated Curriculum** (10 hrs O&P)	3
ED 408 Classroom Assessment	3
ED 490 Seminar - Elementary	3
ED 494 Student Teaching: Elementary	9

**\*ED 100 is required for first year students who enter in the fall semester.**

### **\*\*Field Experience/Observation & Participation**

See Field Experience Policies section below.

**Course Number & Name Changes for Bachelor of Science in Elementary Education (*K-6 Licensure*)**

The following table indicates previous course numbers and names and the equivalent new course numbers and names. Any courses taken under the previous course number and name designations may be substituted for the new equivalent course number and name.

<b>Previous Course Number and Name</b>	<b>New Equivalent Course Number and Name</b>
ED 200 or ED 303 Educational Foundations	ED 220 Educational Foundations
ED 306 Psychological Foundations of Education	ED 221 Educational Psychology
ED 470 Technology for Teachers	ED 222 Educational Technology
ED 450 Music, Art, and Creative Movement	ED 223 Music, Art, and Physical Education
ED 418 Elementary Language Arts Methods I & ED 413 Children's Literature	ED 320 Elementary Language Arts Methods I
ED 415 Teaching Reading in Elementary Schools	ED 321 Elementary Language Arts Methods II
ED 419 Math Curriculum & Methods	ED 322 Elementary Math Methods I
ED 446 Advanced Math and Geometry	ED 323 Elementary Math Methods II
ED 448 Environmental Studies	ED 324 Elementary Science Methods
ED 480 Social Studies Methods	ED 325 Elementary Social Studies Methods
ED 460 Intro to Exceptional Children	ED 326 Exceptional Children
ED 420 Curriculum Foundations	ED 420 Integrated Curriculum

**Bachelor of Science: Dual Licensure in Elementary and Special Education**

This program offers an alternative licensure through a partnership with the Hawai'i Department of Education for Educational Assistants. This cohort program offers courses in a prescribed sequence that includes upper division courses required by the University. Students entering the program must have met Chaminade's lower division course requirements.

In addition to the courses listed below, students must complete additional licensure requirements.

<b>Major Requirements</b>	<b>Credits</b>
ED 306 Psychological Foundations of Education	3
ED 404 Managing School Environments	3
ED 415 Teaching Reading in the Elementary School	3
ED 418 Language Arts: Curriculum and Methods	3
ED 420 Curriculum Foundations	3
ED 450 Music, Art, Creative Movement for Elementary Teachers	3
ED 470 Technology for Teachers	3
ED 408 Assessment	3

ED 448 Environmental Studies	3
ED 490 Seminar	3
ED 494 Student Teaching Elementary Education	3
ED 468 Student Teaching Practicum and Seminar: Special Education	3
ED 419 Math Curriculum and Methods	3
ED 460 Introduction to Exceptional Children	3
ED 461 Issues in Special Education	3
ED 465 Mild/Moderate Disabilities	3
ED 464 Seminar	3

**Bachelor of Science in Secondary Education (*English or Social Studies Licensure*)**

The Bachelors of Science in Secondary Education is offered only through the Adult Evening and Online Program (AEOP). Students must choose between two licensure tracks: English or Social Studies. Admission to the program is through the AEOP satellite office. In addition to the courses listed below, students must complete additional licensure requirements (*please see Additional Licensure Requirements.*)

<b>Pre-Major Requirements</b>	<b>Credits</b>
PSY 304 Psychology of Adolescence	3
ED 201 Introduction to Secondary Education	3
ED 220 Educational Foundations (10 hours service learning beginning Fall 2009)	3
ED 221 Educational Psychology	3
ED 222 Educational Technology	3
Upper Division Education Elective:	
ED 421 Literature for Adolescents <b>OR</b>	3
ED 462 Multicultural Education	3
<b>Major Requirements</b>	<b>Credits</b>
ED 326 Introduction to Exceptional Children	3
ED 404 Managing School Environments (10 hours Observation and Participation required)	3
ED 408 Assessment	3
ED 423 Teaching Strategies: Secondary* (20 hours Observation and Participation required)	3
ED 427 Teaching in Area of Specialization (20 hours Observation and Participation required)	3
ED 490 A & B Seminar**	3
ED 495 A & B Student Teaching: Secondary Education**	6

\*Student teaching must start within two semesters of completion of ED 423.

\*\*ED 490A and ED 495A must be taken concurrently in the winter or summer terms with ED 490B and ED 495B in the following spring or fall terms.

## **Additional Licensure Requirements (Hawai'i Teacher Standards Board Programs)**

### **Praxis Requirements**

Students in Hawai'i Teacher Standards Board (HTSB) licensure programs must earn HTSB qualifying scores on the PPST (reading, writing, and math) exam before enrolling in methods courses.

- Elementary Education Program students must pass the Praxis II Content Area Exercises exam prior to student teaching. Students who do not pass the Praxis II exam will not be able to student teach.
- Secondary students must take and pass the Praxis II Content area exam before registering for methods courses and Student Teaching.

### **Field Experience Policies**

Field experience is an integral part the preparation of Chaminade teacher candidates, and involves a gradual induction into classrooms, first through Observation and Participation (O&P) activities and ultimately through student teaching, usually in the candidate's final semester. Field experience is designed and evaluated in alignment with the Hawai'i Teacher Standards Board (HTSB) and professional standards for O&P and student teaching. In order to participate in field experience, teacher candidates must meet all academic requirements, and must demonstrate the professional dispositions aligned with HTSB standards.

- **Observation & Participation**

Selected pedagogical methods courses include Observation and Participation hours, which are required hours outside of the CUH classroom. These are hours required to be completed by the Chaminade student in an assigned public/private school classroom setting. The Chaminade student is responsible, upon registering for the course containing O&P, to submit all documentation so that he/she may be placed in a school setting by the Field Services Director in an approved educational setting.

- **Service Learning**

Some education courses may add a field component to their class in the form of a Service Learning requirement rather than O&P. The details of a course's service learning requirement will be found in the course syllabus.

- **Student Teaching**

Student teaching is offered twice per year (July-December or January-May) and is a minimum of 15 weeks (except in the Dual Licensure Program where there are two student teaching periods of ten weeks each), not including breaks and intercessions. Student teaching is full-time, unpaid work completed under the supervision of a Cooperating Teacher and a University Supervisor in a public or private school. Eligibility to student teach is dependent on the quality of coursework and student dispositions over the duration of the program. Students are not allowed to work or take additional classes during the 15 weeks of student teaching. Student teaching requirements include:

- Completion of all course requirements, including O&P assignments;
- Excellent O&P evaluations, including professional dispositions
- A minimum of a 3.0 GPA in all Education program courses (including required Math and Psychology courses) and an overall GPA of 2.75
- Student teaching application, including three letters of recommendation from education faculty
- Verification of passing PPST scores and Praxis II
- Fingerprinting clearance
- Proof of TB clearance
- Proof of enrollment in the National Education Association
- Submission of Graduation Clearance form

## **Application & Admission Requirements**

Students who are interested in applying to Education Division undergraduate programs must complete a Declaration of Major form and submit to the Academic Advising & Retention Center office with an advisor. (Students interested in a program offered through the Adult Evening and Online Programs (AEOP) must complete the form with an AEOP advisor at the satellite office.) Additional admission requirements include:

- For the Undergraduate Program:
  - A minimum GPA of 2.75 after completion of general education requirements
  - Three letters of recommendation
  - A letter of acceptance from the Education Division
- For AEOP
  - A minimum GPA of 2.0 after completion of at least 30 general education credits (including EN 102 and COM 101)
  - Three letters of recommendation
  - A letter of acceptance from the Education Division

## **Academic Policies**

- **Advising:**

Students must schedule an appointment prior to each semester to register for courses. Students interested in majoring in Education are encouraged to meet with an Education Division Advisor during their freshman year. A coursework plan will be designed for the student and this plan will be revised and updated as the student progresses.

- **Schedule:**

Students must follow the approved plan prepared with the Education Division Academic Advisor. Any changes to the plan must be approved by the Education Division Academic Advisor.

- **Grades:**

Education students are required to maintain a GPA of at least 3.0 in all Education program coursework, (including required courses in Mathematics and Psychology) with no grade lower than "C," and an overall GPA of 2.75. Students are allowed to repeat a course once, and may only repeat two courses during their program. Failure to maintain a satisfactory GPA may result in academic probation, suspension, or withdrawal from the program.

- **Licensure Recommendation:**

Recommendation for licensure is not guaranteed after acceptance into the Education program. Licensure recommendation is based on student's overall performance in the classroom and in the field.

- **Prerequisites**

Pre-requisites can be waived on a course by course basis with prior approval from Dean.

- **Course Substitutions:**

If a student has already taken a course at another institution that he/she feels is equivalent to a required course in Education, then a course substitution form may be filled out and submitted to the Dean for approval. A copy of the syllabus of the course being substituted should accompany the substitution form when it is submitted.

- **Catalog for Students to Follow:**

Students are required to meet the Education program requirements in the Catalog at the time of Declaration of Major. However, the Education Division reserves the right to make necessary and desirable changes, especially with reference to assuring that teacher candidates meet all Hawai'i and professional licensure standards.

## Course Descriptions

---

### **ED 100 Survey of Education (1)**

This course introduces prospective educators to the field of education and the Chaminade University Education Programs. It is a one unit course following on the heels of CUH 100, First Year Experience.

### **ED 101 Introduction to Chaminade Early Childhood Education (1)**

This course is designed to prepare students for success in the early childhood education program at Chaminade University of Honolulu. This is an orientation course that includes understanding of requirements and desired outcomes of the program, reading and writing at the college level, information-based and technology tools to facilitate the learning process in the early childhood education program.

### **ED 201 Introduction to Secondary Education (3) (AEOP)**

The purpose of this course is to introduce prospective educators to the field of education in general, and to the Chaminade University Secondary Education Program in particular. Content includes exploring issues and programs, research in the field of education, observation techniques and practices, lesson planning, presentation practices, use of community resources, learning and teaching styles and characteristics of an effective teacher.

### **ED 215 Music, Art, and Creative Movement in Early Childhood Education (3) (AEOP)**

Focus is on the support of the young child's development of a sense of rhythm through the use of appropriate songs and games. Creative use of the body in space will be explored. Students will learn how to support young children's creative expression by exploring various developmentally appropriate media. *Materials fee. Prerequisite: PSY 202*

### **ED 217 Health & Family Issues (3) (AEOP)**

Current best practices are explored in the areas of health, safety and nutrition for young children. Guidelines and regulations for Early Childhood Education Programs will be addressed. Students will learn how to support families in creating healthy environments. Field experience assignments are determined by the instructor.

### **ED 220 Educational Foundations (3)**

This course covers the development of historical, philosophical, legal, sociological principles of education, consideration of current trends in educational theory, multicultural issues in education, and problems and choices facing education in the future.

*Requirement: 10 hours of Service Learning*

### **ED 221 Educational Psychology (3)**

This course provides a comprehensive coverage of the theories and basic concepts of Educational Psychology. It includes strategies to help diverse student populations in pre-school through secondary classrooms to become independent, self-directed, and creative individuals. *Prerequisite: ED 220, MA 105, PSY 202*

### **ED 222 Educational Technology (3)**

This course focuses on the integration of educational technology in classrooms. Topics include: information systems, presentations, word processing, spreadsheets, databases, online information research and retrieval, website authoring and publishing, and ethical and responsible use of information systems. *Prerequisite: ED 220, MA 105, PSY 202*

### **ED 223 Music, Art and Physical Education (3)**

This course provides activities for classroom use that help children develop an appreciation of vocal and instrumental music from diverse cultures and creative expression using the body in space. Hands-on exploration of various art media and teaching strategies for applying art media and design principles to classroom situations and creative development in children are included. *Materials fee. Required: 6 hours of O&P Prerequisites: Pass Praxis I, ED 220, ED 221, ED 222*

**ED 233 Introduction to Early Childhood Education I (3) (AEOP)**

This course provides an overview of the field of early childhood education and developing the competencies required in Early Childhood Education. Areas in this section include professionalism, creating learning environments that are safe and developmentally appropriate, working with families, the importance of play, and the basics of curriculum planning. Field experience assignments are determined by the instructor.

**ED 234 Introduction to Early Childhood Education II (3) (AEOP)**

Focus is on developing competencies required for the Child Development Associates credential. Areas in this section include physical, social-emotional and intellectual development, communication, creativity and program management. This is a writing intensive course. *Prerequisite(s): ED 233*

**ED 284 Culminating Experience for CDA (3) (AEOP)**

Focus is on developing portfolio required for the Child Development Associates credential. Areas in this section include physical, social-emotional and intellectual development, communication, creativity and program management. *Prerequisite(s): ED 217, ED 233, ED 234*

**ED 297 Fieldwork Practicum in Early Childhood Education (3) (AEOP)**

The focus is on application of methods and theory from previous coursework. The student may be employed. The childcare setting and mentor teacher must be pre-approved by instructor prior to the start of the semester. Fieldwork requires 100 hours in an early childhood educational setting and 15 hours of seminar. *Prerequisites: ED 215, ED 217, ED 233 & ED 234*

**English 102 and COM 101 are prerequisites for all upper division courses****ED 306 Psychological Foundations of Education (3)**

This course provides a comprehensive coverage of the theories and basic concepts of Educational Psychology. It includes strategies to help diverse student populations in pre-school through secondary classrooms to become independent, self-directed, and creative individuals.

**ED 320 Elementary Language Arts Methods I (3)**

This course guides the students in exploring the meaning of literacy and how it is taught with research-based strategies. Topics include a comprehensive view of the development of reading and writing from emergent to fluent stages; the role of oral language, culture, and new literacies; creating a literate environment; and developing expertise in using children's literature.

*Requirement: 6 hours of O&P Prerequisites: Pass Praxis I, ED 220, ED 221, ED 222, ED 223*

**ED 321 Elementary Language Arts Methods II (3)**

In this course, students explore more deeply how to make research-based decisions about literacy instruction. Topics include applying theory to classroom practice; understanding and supporting struggling readers; and teaching culturally diverse population using multiple strategies. *Requirement: 6 hours of O&P Prerequisites: Pass Praxis I, ED 220, ED 221, ED 222, ED 223, ED 320*

**ED 322 Elementary Math Methods I (3)**

This course provides an overview and applications of best practice mathematics instructional approaches, strategies, techniques, and assessment methods. Math concepts for students in kindergarten through grade 3 are explored using hands-on and problem solving approaches.

*Required: 6 hours of O&P Prerequisite: Pass Praxis I, ED 220, ED 221, ED 222, ED 223, MA 305*

**ED 323 Elementary Math Methods II (3)**

This course provides an overview and applications of best practice mathematics instructional approaches, strategies, techniques, and assessment methods. Math concepts for students in grades 3 through 6 are explored using hands-on and problem solving approaches.

*Required: 6 hours of O&P Prerequisite: Prerequisites: Pass Praxis I, ED 220, ED 221, ED 222, ED 223, ED 322, MA 305*

**ED 324 Elementary Science Methods (3)**

This course focuses on helping the classroom teacher uncover *big picture* concepts through inquiry-based science activities, then planning dynamic science units based on these understandings. Successful candidates will acquire an understanding of big ideas in physical, life, earth and space science; develop inquiry-based science skills; and learn how to plan and teach meaningful units and lessons for K-6 students.

*Required: 10 hours of O&P Prerequisite: Pass Praxis I, ED 220, ED 221, ED 222, ED 223, MA 305*

**ED 325 Elementary Social Studies Methods (3)**

This course focuses on the best methods of instruction in the elementary grade social studies, i.e. in history, geography, cultural anthropology, political science/civics and economics. The course will familiarize the student with the required social studies content as outlined in the Hawaii State Standards. This is primarily a methods course, but attention will be paid to mastery of the content areas as well. *Required: 10 hours of O&P*

*Prerequisites: Pass Praxis I, ED 220, ED 221, ED 222, ED 223, ED 320, E D322, ED 324*

**ED 326 Exceptional Children (3)**

Overview of categories of students served in special education including intellectual disabilities, developmental delay, specific learning disabled, emotional and behaviorally disturbed, autism, speech and language impaired, visually impaired, deaf and hearing impaired, other health impairment, multiple disabilities, orthopedic impairment, deaf-blindness, and traumatic brain injury. Special education eligibility and related services are reviewed. In addition, exceptional children such as English Language Learners, students with attention deficit disorder and gifted, creative, and talented are discussed. *Prerequisites: Pass Praxis I, ED 220, ED 221, ED 222, ED 223, ED 320, ED 322, ED 324*

**ED 380 Special Topics (1-3)**

Courses not yet approved by Academic Council.

**ED 404 Managing School Environments (3)**

This course develops strategies for successfully managing environments for student success with the focus on the teacher as guide and facilitator. The content includes the study of research findings that are developmentally appropriate for classroom management techniques.

*Requirement: 10 hours of O&P. For AEOP Secondary students: \$25 O&P fee.*

**ED 405 Math Methods (3) (EA)**

This course provides an overview and application of best practice mathematical instructional approaches, strategies, techniques, and assessment methods for students with mild to moderate disabilities in the Kindergarten to grade 12 settings.

**ED 408 Assessment (3)**

This course examines classroom assessment as a critical component in improving learning and instruction. The course provides educators with the knowledge, dispositions, and performance skills to design assessments which include the diverse needs of individual learners.

*Prerequisites: Pass Praxis I, ED 220, ED 320, ED 321, ED 322, ED 323, ED 324, ED 325, and ED 326.*

**ED 413 Children's Literature (3)**

This course examines the values of using literature with children at various stages of development and the criteria for selection. The course provides an in-depth look at various genres of children's literature, including literature that addresses diversity. Learning experiences stress the practical use of children's literature in the curriculum.

**ED 415 Teaching Reading in the Elementary School (3)**

This course is designed to guide pre-service teachers in developing readers and writers. It offers examination of differing philosophies, methods, and materials for literacy development. *Requirement: 20 hours of O&P*

**ED 418 Language Arts: Curriculum and Methods (3)**

This course reviews the philosophy and rationale for the teaching of language arts to young children, including receptive and expressive, visual and auditory experience, vocabulary development and enrichment. Focus is on the development of language skills of young children with attention to the influence of culture in language. Strategies include how to develop a language-rich environment at the early childhood level that includes oral language, writing and reading activities, and development. *Requirement: 10 hours of O&P*

**ED 419 Math Curriculum and Methods (3)**

This course includes the philosophy and rationale for the teaching of math to young children. General math theory and concepts are demonstrated with manipulatives. Instruction includes introduction to numeration, the decimal system, linear counting, memorization, fractions, and the applications of math. *Requirement: 10 hours of O & P.*

**ED 420 Integrated Curriculum (3)**

This course provides an examination of the broad aims of education through the inquiry approach on the sciences, including physical science, botany, zoology, earth elements, geography, and history. Emphasis is on writing a science-based curriculum that unfolds throughout all the content areas and that is developmentally and culturally appropriate, and on preparing learning center materials. Current research is examined.

*Required: 10 hours of O&P Prerequisites: Pass Praxis I, ED 220, ED 320, ED 321, ED 322, ED 323, ED 324, ED 325, and ED 326.*

**ED 421 Literature of Adolescents (3) (AEOP)**

This course provides an introduction to adolescents, their physical development, and their literature. Other topics include young adult literature, the teacher's role in working with books and young readers, and an overview of adolescent literature throughout history.

**ED 423 Teaching Strategies: Secondary (3) (AEOP)**

This course presents age appropriate curriculum structure and trends. Students will learn to develop standards-based unit and lesson plans. Instruction will be given in application of various learning and teaching styles and strategies, classroom management, and use of multi-media. *This should be taken the semester prior to student teaching.*

*Requirement: 20 hours of O&P; \$50 O&P fee*

**ED 427 Teaching in the Area of Specialization (3) (AEOP)**

This course is designed to demonstrate a variety of instructional methodologies and approaches that are workable in the content subject area. Concepts to be covered include establishing a context for instruction, presenting strategies for reading, writing, studying, and translating information gained into practice. *Requirement: 20 hours of O&P; \$50 O&P fee*

**ED 433 Develop Appropriate Pract. I (3) (AEOP)**

This course presents age appropriate practices for Early Childhood Education. The content of the course spans the development of Early Childhood as well as teaching strategies that are appropriate to each age and stage of development. Teaching modalities and approaches are used in conjunction with developmentally appropriate materials, research-based practices, and literature. *Prerequisites: ED 215, ED 217 & ED 233*

**ED 434 Develop Appropriate Pract. II (3) (AEOP)**

This course provides an extension of the concepts and research-based practices that were taught in ED433- Developmentally Appropriate Practice I. The teaching strategies and concepts are based on children's development in Early Childhood Education Centers, are researched-based and appropriate to each developmental stage and age. Teaching strategies and materials are designed with developmentally appropriate practices within the classroom setting. *Prerequisites: ED 433*

**ED 446 Advanced Math (3)**

Mathematics concepts for grades 3 through 8 are explored using hands-on and problem solving approaches. Teaching strategies include fractions, decimals, percentages, ratio, proportion, area, volume, pre-algebra, plane and solid geometry.

**ED 448 Environmental Studies (3)**

This course integrates science and social studies and focuses on ecological issues as they relate to the history and natural science of the planet. Other topics include history and culture of humans.

**ED 450 Music, Art, and Creative Movement for Teachers (3)**

This course provides activities for classroom use that help children develop an appreciation of vocal and instrumental music from diverse cultures and creative expression using the body in space. Hands-on exploration of various art media and teaching strategies for applying art media and design principles to classroom situations and creative development in children are included. *Materials fee.*

**ED 460 Introduction to Exceptional Children (3)**

This course provides an overview of special education including cognitively challenged, learning disabled, emotionally and behaviorally challenged, speech and language impaired, health impaired, visually and hearing impaired, and gifted and talented. Special Education eligibility and related services are reviewed and discussed.

**ED 462 Multicultural Education (3) (AEOP)**

This course explores issues of multiculturalism as they affect classroom and school cultures. Focus is on developing sensitivity to all types of diversity for the purpose of building community at local and global levels.

**ED 464 Consultation in Special Education (3) (EA)**

This course provides supervised student teaching in an approved special education school setting. *Prerequisites: Acceptance into and completion of all course requirements for the Dual Licensure in Elementary Education and Special Education*

**ED 465 Mild/Moderate Disabilities (3) (EA)**

This course provides an overview of learning, behavioral disabilities, and personality characteristics of students diagnosed as cognitively challenged. Topics include issues experienced in the special education field, service delivery options, assessment, and intervention strategies.

**ED 468 Student Teaching – Special Education (6) (EA)**

Students will teach in a public school special education setting along side a licensed special education teacher for a period of 15 weeks. *Prerequisites: Acceptance into and completion of all course requirements for the Dual Licensure in Elementary Education and Special Education*

**ED 470 Technology for Teachers (3)**

This course focuses on the use of educational technology in classrooms. Topics include: information systems, presentations, word processing, spreadsheets, databases, online information research and retrieval, website authoring and publishing, and ethical and responsible use of information systems.

**ED 471 Language Arts: Curriculum and Methods (3) (AEOP)**

This course includes philosophy and rationale for the teaching of Language Arts to young children. Focus is on the developing language skills with young children. These include how to develop a language rich environment at the early childhood level. Topics include oral language, pre-reading activities, and writing activities. *Prerequisites: ED 215, ED 217 & ED 233*

**ED 473 Math Curriculum and Methods (3) (AEOP)**

This course introduces the philosophy and rationale for the teaching of math to young children ages 2 through 6 covering logical-mathematical thinking and number concepts demonstrated with manipulatives. Topics include pre-counting, estimation, and math operations. *Prerequisites: ED 215, ED 217 & ED 233*

**ED 474 Curriculum Foundations (3) (AEOP)**

Examination of the theoretical foundations of Early Childhood Education is provided in this course. Focus is on the constructivist's theory of education emphasizing creating a curriculum that is integrated throughout all the learning centers and is developmentally and culturally appropriate. *Prerequisites: ED 434*

**ED 479 Leadership and Guidance in Early Childhood Education (3) (AEOP)**

This course focuses on major issues and trends in Early Childhood Education. Instruction includes working with families, classroom management, nurturing children, creating quality care environments, professionalism, administrative issues and curricular trends. *Prerequisites: ED 433*

**ED 490 Seminars (3)**

This seminar is integrated with all student teaching practica. Students prepare portfolios, discuss teaching experiences, and review standards. *Requirement: Successful completion of Praxis I and II.*

**ED 490 (A&B) Seminars (2-1) (AEOP)**

This seminar is integrated with all student teaching practica for Secondary Education. Students prepare portfolios, discuss teaching experiences, and review standards. *Requirement: Concurrent enrollment in ED 495A & 495B and Successful completion of Praxis I and register for Praxis II.*

**ED 491 (A&B) Seminar- Early Childhood Education (2-1) (AEOP)**

This course gives direction and support will be given for the fieldwork in Early Childhood Education. Instructor and students will work through challenges and struggles encountered in the classroom. *Requirement: (A): Concurrent enrollment in ED 498A.*

*(B): Concurrent enrollment in ED 498B. Prerequisites: PSY 202, ED 215, ED 217, ED 233, ED 413, ED 433, ED 434, ED 470, ED 471, ED 473, ED 474, ED 479*

**ED 494 Student Teaching: Elementary (9)**

This course provides supervised teaching in approved elementary schools. Concurrent enrollment in the ED 490 seminar is required. *Prerequisites: PSY 202, MA 105, ED 200, ED 306, ED 470, ED 418, ED 419, ED 450, ED 415, ED 446, ED 408, ED 448, ED 480, ED 404, ED 420, ED 460, Pass Praxis II.*

**ED 495 (A&B) Student Teaching: Secondary (3-3) (AEOP)**

This course provides supervised student teaching in approved secondary schools. *Requirement: Concurrent enrollment in ED 490A & 490B.*

**ED498 (A&B) Student Teaching: Early Childhood Education (3-3) (AEOP)**

This course applies the methods and theory into practical teaching. The fieldwork setting and mentor teacher must be pre-approved by instructor prior to the start of the semester. The student may be employed. Fieldwork requires 150 hours per term in an Early Childhood Educational setting. *Requirement: (A): Concurrent enrollment in ED 491A. Prerequisite: (B): Concurrent enrollment in ED 491B. Prerequisite: Acceptance and completion of all course requirements for Early Childhood Education major.*

**ED 499 Directed Study (1-3)**

Individualized study may be arranged with an instructor and/or department academic advisor on a specific topic. This course is only open to Education majors and offered according to demand with the approval of the Dean. *Prerequisite(s): Acceptance as an education major.*
