

Welcome to Chaminade University!

This catalog is written for you. It describes the mission and vision of Chaminade and the programs, courses, activities, and services we offer. There are listings of faculty, administrators, and staff who will work with you to have a successful experience here.

At Chaminade University we are dedicated to educating you as a whole person. Through a rich curriculum and student support services, we offer learning experiences in and out of the classroom that provide opportunities to develop personal competencies, spiritual values, and professional skills. We also believe that our graduates will have much to contribute to improving their communities and we encourage leadership development and service learning.

Our location in the Pacific bridges the cultures of West and East. The diversity of nationalities, heritages, religious beliefs, and backgrounds that our students bring to Chaminade make our whole campus a lively classroom for learning about living and working in the 21st century.

With our 17-to-1 student-to-teacher ratio, you will enjoy small classes and many opportunities to interact informally with faculty and staff. There are opportunities for internships and career preparation activities. A variety of on-campus student clubs, an NCAA Division II sports program, and the many cultural and recreational activities in Hawai'i will be available to you.

College is a special time in your life. In welcoming you to Chaminade, I encourage you to take advantage of the many resources here. And let us know how we can help you.

Aloha,

Bro. Bernard Ploeger, SM
President
