A. STUDENT RESPONSIBILITY

The student is responsible for knowing the information presented in the Chaminade University Catalog, course schedules, and Student Handbook, and for observing all regulations and procedures relating to the program being pursued. In no case will a regulation be waived or an exception granted because a student pleads ignorance of, or contends that he/she was not informed of, the regulations or procedures.

A student must satisfy the requirements of the catalog in force at the time that he or she is admitted to and begins course work in a degree program, or the student may, with the consent of the program advisor, graduate under a subsequent catalog provided the student complies with all the requirements of the later catalog.

RESPONSIBILITY FOR FOLLOWING ALL POLICIES AND MEETING ALL REQUIREMENTS AND DEADLINES FOR GRADUATION RESTS WITH THE STUDENT.

B. ACADEMIC ADVISING AND STUDY ABROAD CENTER (T.C. Ching Hall 252)

1. Check your status online prior to the start of pre-registration for any holds. *All holds must be cleared before a student is able to register for classes.* The following students will have Advising Holds on their account and need to see the Academic Advising and Study Abroad Center:

- a. Students on academic probation;
- b. Success Program students;
- c. Students who first enrolled at Chaminade University in the Fall 2008 semester;
- d. Students who have completed 45+ credits and have not officially declared a major.

2. If you have any questions or concerns regarding registration, make an appointment with your advisor. You are strongly encouraged to meet with your advisor BEFORE pre-registration begins.

- a. If you have officially declared your major, see the faculty advisor in your major. Check your student profile in ECollege to identify who your major and minor advisors are, and their contact information.
 - b. If you have not declared your major, meet with an advisor in the Academic Advising and Study Abroad Center.
3. Check the catalog in force at the time that you were admitted to and began course work in a degree program for the program requirements, or with the consent of the program advisor, you may change to a subsequent catalog provided you comply with all the requirements of the later catalog.
4. Check the Catalog (<http://www.chaminade.edu/catalog>) when making course selections to ensure that you have completed all prerequisites for courses you wish to take. Also note that EN 102, and COM 101 are prerequisites for all upper division courses.

C. CONCURRENT REGISTRATION

If you plan to enroll concurrently with the University of Hawaii system or other institutions, written course approval must be obtained from the Enrollment Specialist, Marlene Baker (T.C. Ching Hall 12), prior to your registration with the other institution to ensure transferability.

D. HEALTH CLEARANCE

State of Hawaii law requires a health clearance before a student may register. New students should perform health clearance processing prior to registration. You may obtain your clearance from the Student Affairs division. Please contact the Student Services Coordinator, Sheela Menon (Student Support Services 103), if you have any questions.

E. GRADUATION

Students completing all requirements for graduation by the end of the Spring Day 2009 semester need to:

File their Petition for May Graduation with the Records Office no later than Friday, February 13, 2009.

F. TUITION AND FEES

1. The payment of tuition and fees for registration is due in the Business Office no later than Monday, January 12, 2009. The university reserves the right to cancel any registration for outstanding financial obligations or academic action.

a. If paying by mail, send check or money order to the Business Office. Please make your check payable to Chaminade University of Honolulu.

b. Payments may be made by major credit card, i.e. VISA, MasterCard, American Express, etc.

Hawaii banks have a six working day holding period on out-of-state checks. To clear book and living expenses for the first month, students should bring U.S. Postal Service Money Orders or Traveler's checks in denominations of \$100 or less. International students should establish a relationship with a financial institution prior to arriving in Honolulu. Students receiving Financial Aid should bring with them sufficient funds to cover books and living expenses while forms are being processed.

2. Tuition Payment Plan

Together with a private firm, Chaminade University offers a tuition payment plan. This plan allows students to pay tuition on a monthly basis. There is a start-up fee but no monthly finance charges. For more information, contact the Business Office at (808) 735-4898.

Withdrawals prior to the established deadline for each semester may be made without grade penalty. The notation W is recorded. The student is ultimately responsible for withdrawing from class when appropriate. The signature of the instructor of the course is required.

Students in the Undergraduate Day Program may Withdraw Without Record from a course until the last day of week 5 of a 15-16 week semester. Students in the Adult Evening and Online Program may Withdraw Without Record until Wednesday of week 3 of a 10-week term. In the case of undergraduate courses of other lengths, the last date of withdrawal will be set at the corresponding point of the term, that is, when the course is approximately 30% complete. Withdrawal from a course after the last day of withdrawal without record will be noted as a W on a student's transcript and the deadline will be listed in the schedule. Only when the student presents written evidence such as military orders, a doctor's statement, or other reasonable justifying documentation for post-deadline withdrawal will the request be approved.

H. WITHDRAWAL CREDIT/REFUND POLICY

If a student officially withdraws from the University, the student's account will be credited for a return of tuition in accordance with the following schedules. This credit will first be applied to any unpaid charges. If the credit exceeds the unpaid charges, the excess will be refunded to the student, by check, within two weeks of the withdrawal. Fees are not refundable.

Undergraduate students who drop from full-time to part-time during the first three weeks of the session will be refunded the applicable percentage rate of semester hours dropped between 12 semester hours and their part-time hours as stated below. For example, a student dropping from 15 to 9 semester hours during the first week of school would receive a refund of 75% of the tuition for the 3 semester hours only ($12-9 = 3$ semester hours).

Exceptions to the withdrawal credit policy are made for first semester freshmen according to federal regulations.

During the add/drop period	75% refund*
During the second week of instruction	50% refund
During the third week of instruction	25% refund
During the fourth week of instruction and thereafter	No refund

I. RELEASE OF INFORMATION - THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Chaminade University applies as policy the Family Educational Rights and Privacy Act of 1974. The Family Educational Rights and Privacy Act (FERPA) deals specifically with the educational records of students, affording students certain rights with respect to those records. These rights include:

1. The right to inspect and review their own educational records within 45 days of the day the University receives a written request for access. Students should submit to the Records Office written requests that identify the record(s) they wish to inspect. The Records Office will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request amendment or correction of educational records that the student believes are inaccurate or misleading. The student should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory academic or research, or support staff position (including security unit personnel and health staff); a

person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records to officials of another school in which a student seeks or intends to enroll.

4. The right to file complaints with the Department of Education concerning alleged failures by institutions to comply with the Act. Written complaints should be directed to the Family Policy Compliance Office, U.S. Department of Education, 500 Independence Avenue, SW, Washington, DC 20202-4605.

Chaminade University designates the following categories of student directory information. Such information may be disclosed by the University for any purpose, at its discretion.

Category I: Name, address, telephone number, dates of attendance, enrollment status, class.

Category II: Previous institutions attended, major fields of study, awards, honors (includes dean's List, degrees conferred including dates).

Category III: Past and present participation in officially-recognized sports and activities, physical factors (height, weight of athletes, date and place of birth).

Under the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended, currently enrolled students may withhold disclosure of any category of information. To withhold disclosure, written notification must be received in the Records Office at the time of registration or during the add/drop period. Forms requesting the withholding of directory information are available at the Records Office. Chaminade University assumes that failure on the part of any student to specifically request the withholding of directory information indicates approval for disclosure. Requests for withholding of directory information are effective for one academic year.

The institution will honor your request to withhold any of the categories listed above but cannot assume responsibility to contact the student for subsequent permission to release them. Regardless of the effect upon the student, the institution assumes no liability for honoring his/her instructions that such information be withheld.

J. NOTICE OF NON-DISCRIMINATORY POLICY

Chaminade University admits students of any sex, race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the University. Chaminade University does not discriminate on the basis of sex, race, color, sexual orientation, ethnicity, or national origin in the administration of its educational policies, scholarships or loans, athletic or other University administered programs.

Harassment and discrimination are specifically prohibited by state and federal law and any instance of harassment or discrimination may result in both civil and criminal liability on the part of the individual harasser as well as the University. Specifically, the University is committed to comply with the Title VI and Title VII of the Civil Rights Act of 1964, as amended, Title IX of the 1972 Education Amendments, the Equal Pay Act of 1963, Executive Order 11246, as amended the Age Discrimination Act of 1975, Titles VII and VIII of the Public Health Services Act, as amended, the Rehabilitation Act of 1973, the Equal Opportunities Employment Act of 1972, the Vietnam Era Veterans' Assistance Act of 1974, the Americans with Disabilities Act of 1990 and Hawaii Revised Statutes, Chapters 76, 78, and 378. The designated Title IX coordinator is Br. Frank Damm, Freitas Hall 211, phone 808 739-4645. For the full treatment of the Chaminade discrimination and harassment policy see the University Policy Manual Volume II Section 2.3.
